Message:

My name is Joe Shuster; I am the Pecos County Judge. The reason I am writing my testimony is because we are in the middle of a budget work session plus we must have it filed by July 31, 2025. It does not allow me the time to get to Austin in person to sit through the public hearing; so, I am doing the best I can to ask the Senate and the House to not pass a Redistricting Bill. It is my firm belief that the Great State of Texas needs to spend its time on making Texas a better place to live and not to make a mockery out of the people of Texas for political games. My final thought is we all work for the people of Texas by taking the oath of office and the statement of officer, that requires an affirmation that no bribery or improper influence was used to secure the position.
