Message:

I want my representatives and Greg Abbott to stop illegally and unethically redistricting the state of Texas.
AS A HOUSTON RESIDENT, THOSE IN MY DISTRICT SHOULD NOT RANGE FROM THE TEXAS MEDICAL CENTER TO THE PANHANDLE.

Our districts should be carved up based on the actual population and representation. You've prevented us from voting in a replacement for Eric turner and you ALL are letting us down.

Texas is no longer a free state. Don't say you care about freedoms when you control our speech and bodies and HIDE OUR VOICES.
