Message:

As an El Pason. I do not feel that I have ever been a represented properly by our officials.

I believe that our district has been unfairly drawn in favor of Democrats. Many if not all of my colleagues and neighbors are conservative yet we have no conservative representation in this district. I believe that it is likely Democrats have been allowed to gerrymander by Republicans who do nothing. I want strong leaders who will represent me. I want districts drawn that properly divide populouses. I feel that redistricting is necessary at this time.
