Message:

Hello, my name is Julian Rivera. I am a resident of El Paso, Texas. I'm submitting a testimony to implore the state congress not to follow through on redistricting. The changes that are being proposed set an unfair advantage to the opposition in the state legislature and would result in politicians representing the proposed districts who are not responsive to the interests of their constituents. We as constituents deserve the agency to vote those said politicians out of power if they work against our interests as opposed to disenfranchising us in order to simply retain power.
