Message:

This forced redistricting is beyond unethical & illegal. One can see it as nothing more than obvious cheating and a desperate attempt to retain undeserved power. Since Abbott so likes a football analogy - you're simply changing the rules and moving the goalposts mid-game!

You are completely disregarding a huge segment of your constituents. You know they are likely to vote differently in 2026.

Shame on all of you Republicans for going along with this (and so many other crimes against humanity...and our public schools!) What would Jesus do?

You are spineless & corrupt.
