Dear Senators,

The special session needs to serve Texans. What Texans need right now is:

- Prioritize flood recovery efforts and the safety of Texans. This means (1) aid for flood victims and their communities today and (2) infrastructure to alert us to flood dangers and prevent such devastation in the future.
- What we don't need is any mid-decade redistricting—especially while the current maps are still being challenged in court. I urge you to oppose such efforts.
- Prevent communities of color from being deliberately divided, thereby weakening their political voice. (Texas has a long history of racial gerrymandering and discriminatory voting practices.)
- Texans deserve to have a redistricting process that is fair, transparent, and results in fair representation for all, not this rushed and deeply flawed process.

Sincerely yours,

Kathy McCarley Peeples
