Message:

The goal of congressional districts is SUPPOSED TO BE to identify a community of people who can be represented by one individual in Congress. In Texas, Republican redistricting has been an abomination over the past 20+ years; Texas districts simply do not represent communities of any kind. They are drawn with only a desire to dominate this state politically. WRONG!

Pushing for Trump's goal for redistricting IS WRONG. Please - your responsibly in redistricting is to TEXANS, not Trump. Draw FAIR maps.
