Message:

Redistricting right now is senseless. Especially if you make it even more gerrymandered than it is now. You're putting people with nothing in common in districts together leaving all of us without sensible representation. Representatives can't properly serve people that live 200 miles from each other. You're taking a map that already does that and making it even worse. We all know why you're doing it. Perhaps it's legal, but it's immoral. Proverbs 11:1 says the Lord detests dishonest scales. And that's exactly what you're doing, what the Lord detests. I pity you having to answer to Him when the day comes. You'll put the Ten Commandments up in classrooms, but don't follow the Word of God yourselves. It's shameful.
