Message:

I urge you to reject recent efforts to redistrict at this time. Do not spend taxpayer funds — special sessions are expensive - on a mid-decade gerrymandering. This is not what Texans want. Get something done on disaster relief and honor the many victims of recent floods. Then go home. We don't need any more clever lines drawn to keep Democrats out of the lege. Especially when it is all to keep Trump happy. Stop. The consequences of this madness are too great. Protect Texas.
