Title: Esq  
Organization: Self  
Address: [REDACTED]  
City: EL PASO  
State: TX  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

This problem of litigating district maps repeatedly could/should be resolved permanently maybe by having the voters choose to which of the neighboring districts they will belong or dividing districts using only simplistic lines or drawing one new district from from within and the edge of an existing district with a limit of one shared border with that district.

Trying to circumvent the rules should be impeachable.

The party that denies voters representation or loses in court should be penalized votes in the affected districts.
