Message:

As a constituent from Georgetown and a Texan I am asking that you stand in opposition to this shameless and transparent power grab of redistricting. The maps need work but do it in 2031 when we're supposed to. Limiting public comment only adds to the transparency of the republicans shameless power grab by the State and Federal Government and will disenfranchise those very people who voted for you. And who is really redrawing the maps? Shame. Please vote no for redistricting. Thank you.
