Message:

This redistricting mid-decade is not only wrong, it is a blatant misuse of power and sounds a lot like how Texas ignored the law when slavery was first abolished in the US. This is an attempt to rewind that clock and take away the voices of minorities. Dems - don't vote on this - walk - because you know the GOP has turned their backs on doing what is right. Pharisees and hypocrites. A brood of vipers. Where have I heard that? Oh yeah, Jesus said it (Matt. 3:7) and I'm certain he's saying it about you now. Shame on you for bending your knee to a man that is clearly godless and wants only to be worshipped.
