Message:

I am strictly opposed to this redistricting effort. The 2021 maps are already facing and have faced legitimate legal challenges based on unethical gerrymandering and disproportionate effects on majority minority communities and classically left-leaning urban areas. To redistrict AGAIN simply because a president asked will be even more blatantly gerrymandered and rigged to support the Republican Party. I support a state government that is not biased and based on fair elections. This does not fit that at all, and I hope our representatives can stand up to the president to keep Texas from seeming spineless and far from the independent and strong state we know we should be.
