Dear Congresswoman Fletcher,

I am so concerned that Trump is planning to accept over \$50 Billion dollars from Japan! They will own our country!!!

He has GOT TO BE REMOVED NOW - my heavens do we wait until the insane individual has started WWII? You know, I am afraid to voice my opinion on too many sites for fear of retribution, by Trump or Abbot. Now, that is a total disgrace SAD State of Texas - I Love what Texas used to stand for before Abbot and the others took hold of our State!

The Redistricting in Texas is absurd...I am so embarrassed by the Gov. and his cronies as well as, his ridiculous admiration for Trump - we are being sold down the river.

May God Bless Us All - Thank You for the wonderful work you do for us expecting on that RIGHT Things are accomplished.

Much Love, Light and Keep Up the Excellent Work,  
A Lady of 81 Years
