Message:

I don't agree with redistricting Texas because Republicans are just going along with anything Trump is asking for. He's taking away the right to free speech, the right to peaceful assembly. He's removing protections in case of a natural disaster. And Republicans are complicit. They are acting like voting for their conscience, if it goes against party, they are being a traitor. They are scaring the people who are here legally into believing they can't leave their homes for fear of ICE agents grabbing them and disappearing them.

I was born here in Houston to parents who were native born, but learned Spanish starting in the 3rd grade. It makes me scared that someone will hear me speaking Spanish and grab me! I am 70 years old and this is not the America I grew up with!
