Message:

To the Honorable Members of the  
Texas Senate,

I am voicing my concerns  
involving the governor's  
special session to redraw the  
congressional map in an attempt  
to gain more GOP seats.  
Historically, redistricting  
takes place after census  
results (every 10 years), which  
reflects an accurate picture of  
the areas' demographics. It  
appears the swift decision to  
redraw the Texas congressional  
map seems haphazard and has a  
motive that does not reflect  
the voices of Texans. This  
legislation will affect and  
target African American &  
Brown communities in the  
Houston & Dallas area,  
especially. More specifically,  
it will impact the upcoming  
midterm elections by attempting  
to gain more GOP seats, which  
seems to be motive behind the  
sudden need to redistrict the  
congressional map. Your work in  
the Senate is to reflect the  
constituents of Texas and not  
to disregard our voices to  
serve your own agenda. Also  
concerning, is the allotted  
time to get such a task

completed. Special sessions  
constitutionally do not last  
over 30 days. This is a concern  
that should NOT be rushed. This  
is major decision that will  
affect the entire state of  
Texas. I do not agree with this  
agenda, and I ask  
that you advocate and vote on  
my behalf to stop all efforts  
regarding redistricting.

Best Regards
