Affirm public info: I agree

Regarding: Congressional

Message:

I am very disappointed that the Legislature is trying to fit re-districting into an already crowded Special Session. Considering the recent floods and horrible loss of life, please prioritize Texas' urgent needs first in the Special Session--such as flood relief and emergency preparedness. A 30 day session is not enough time to fully address all the state's priorities AND the complex task of redistricting.

Thank you,  
Laura Weaver
