let me get this straight: an overfed, pussy grabbing, serial lying, delusional convicted felon has demanded the cripple in the mansion undermine the democratic process in the god awful state of texas. and the white male repubs elected by rubes are happy to obey. this bullshit attempt to disenfranchise voters of color is so utterly racist, the nation will see the facts exposed in court. you may hate our democracy and want to utterly destroy it to install a dictator, but we will fight you with everything we have. be afraid.
