Message:

My name is Lauren Daniel, I am the descendant of Czech immigrants, a lifelong Texan and resident of Collin, Denton, and Dallas counties, a woman, a millennial. To remove the representation of entire populations of our beloved state is a crime and those who would do what Trump has called for are cowards who should give up their seats to people with more back bone. To cower to the wannabe king goes against everything our founding fathers fought for. What happens in Texas will happen in other states shortly thereafter. I urge the members of this body to reject the call to redistrict our state.
