Message:

I am writing to speak against any efforts to redistrict.

It is clear that this is merely an effort to bow to the whims of the president and is not in the interests of the people of Texas. We deserve representation and district lines that are fair for the constituents in an area.

It is blatantly clear that this redistricting agenda is gerrymandering in order to push the agenda of one party. Texans, and the people of the US, deserve better.

Do not let the ever shifting narrative and ploys of the president overrule the needs and diversity of our nation.

We have a right for fair representation. Politicians ought to champion the views of their constituents, even if those are not in line with the personal political party of the representative.

We the people should drive our government.

Please do everything in your power to reject this gerrymandering scheme.
