Message:

I am writing to speak out against the state redistricting efforts.

Do not submit to Trump & Abbot. You should be spending your time on worthwhile efforts, like how to salvage lives after natural disasters like floods or fires or how to NOT to spend our tax dollars on Abbott's insane Mexico border wall. This effort TO racially gerrymander our state is illegal & discriminatory. You haven't even shown us your so-called new maps! Cracking and packing by race dilute voter's voices and it makes it impossible for black & brown voters to elect anyone who will truly represents them. The entire process is designed to discourage black & brown voters from even bothering to vote. This process has been rushed, lacks transparency, is heavily partisan, and excludes public input. These few meetings hastily scheduled does not fit the intent of gathering public input, especially when you will not tell us who will be drawing them. What an incredible waste of OUR tax dollars! Shame on all of you.

Texas is already the worst gerrymandered state in the nation. Texas is a majority minority state yet 66% of our representatives / senators are Anglo & Republican. Drawing new state district / senate boundaries that discriminate by race to benefit one party is wrong & illegal. You were elected to represent all of your constituents, not just a subset that belong to your political party. Vote NO to redistricting.
