Message:

The registered voter I do not want redistricting. I want my community to stay together. And for my elected representatives to focus on issues like Medicaid, infrastructure, education funding, and more.

As a registered voter I want to see the Legislature spend more time dealing with real issues instead of what Trump wants them to focus on, distracting them from the real work of representing us, your constituents.

Stop selling us out. Listen to us and hear what we want. Think about the people. Think about the common good.
