Message:

As a Texan, I believe our state is made better with every voice represented at the table. These plots to redistrict our maps are schemes to suppress the voice of the most marginalized communities in our state - black, brown, and low-income voters. No matter how it is spun, this is RACIST gerrymandering. I am strongly against any efforts to redistrict in order to shore up more republican seats. This is NOT the will of the voters and any vote in favor of this is a vote against the wellbeing of our community.
