Message:

First, I served in Iraq for two years during the invasion.
I got to see the injustice actions by the forced out President "Saddam Hussein".
How, I wish Republicans and Democrats leaders were also, deployed to Iraq during the start of the war; so that they could witness the lies, corruption, false information, the abuse of entrusted power for private gain. The dishonesty and unethical actions by Saddam's government. To include bribery, extortion, and embezzlement, that erodes trust and fairness.
The people of Iraq was suffering for many years during Saddam's years as president.

This redistricting to benefit the Republicans is a disgrace and a disgusting action.
Republicans in favor of this action should be ashamed and should resigned.
This is not what the citizens of Texas want.
This is what the Republicans want in order to give them an edge over Democrats during state and federal elections.
I, understand the governor of Texas is also in favor of this stupidity. He too should resign and give his position to someone who believes in fair, equal and justice elections.

What ever happen to the United States of America that I one's knew and fought for!
