Message:

Even as a long-time resident of this state, I am rather surprised by the state's GOP and Trump bootlickers who have stooped to a new low. This effort to redistrict outside the norm (and when the previous gerrymandering effort is still under challenge in the court) is below craven. It is obvious to all what this is: a racist move to ensure a minority GOP leadership in this state. This is not democracy. This is an authoritarian to appease the POTUS regime and your wealthy donors. It is outrageous and dangerous. You should be ashamed of yourselves. I am disgusted beyond further words.
