Message:

The Texas Senate must say no to the bullying by Pres. Trump to redistrict. I read that Governor Abbott was opposed to adding redistricting to the special session to tackle much more important issues and I applaud that. I know that Texas has to walk a fine line to not be on his bad side but we are too powerful, proud and independent to let him dictate something like another round of redistricting that just happened so recently. We have to look out for the needs of our state and ALL its residents. The Big Beautiful Bill is chipping away at Texas with more rural hospitals shutting down because of cuts to Medicaid; Less staff with FEMA to help with disasters; tax cuts that will hurt lower income families and the list goes on. Don't continue to degrade our constitution by further gerrymandering of our districts so that even fewer representatives actually reflect the interests of the voters. Say no to bullying and personal agendas. You took an oath to represent all people of Texas. Please do the right thing.
