Message:

I don't agree with the redistribution of power with this redistricting mid decade. We have so many other issues facing Texans that are pressing such as our Power Grid, School funding, property Texas just to name a few. Just like the redistricting effort in Tarrant county, these efforts by a large silence the voice of minority voters who economically fit into the target area. I ask that you vote no on this process and follow what has been the long standing process.
