Message:

It is vital for a functioning democracy that all voters have equal representation and a fair chance to influence the outcomes that affect their communities. The current redistricting proposals is completely skewed in a partisan interests.

This is clearly a way to cheat the game for personal gain. It is so shameful and embarrassing to call Texas my home when our "leadership" is full of cowards and spineless sheep.

I will be watching your actions closely and will hold elected officials accountable at the ballot box. I implore you to do what is right for all Texans, protect fair representation and democratic integrity.
