Message:

I write to the Senate Special Committee on Redistricting to express my strong opposition to the proposed inter-term redistricting - and my sadness that this has even been proposed, apparently at the behest of the presidential office to ensure best results for the Republican Party in the 2026 elections.

The intent to diminish the current voting record of the districts chosen is very insulting to the inhabitants of those districts.

Please show the nation that Texas will not demean the inhabitants of the districts facing re-structuring !!! Thank you!
