Message:

I am a Texas voter, and I oppose any mid-decade redistricting. I oppose any redistricting that does not result in fair representation for all Texans. Texas has a long history of racial gerrymang and discriminatory voting practices, so I urge you to prevent communities of color from being deliberately divided, thereby weakening their political voice.

Lawmakers should have the necessary information to create legally compliant district maps, protect minority voting rights, and respect county lines, city boundaries, and communities of interest. A rushed 30-day special session packed with unrelated agenda items is not the way to achieve this.

Flood recovery efforts and the safety of Texans should be the top priority, not redrawing political maps.
