Message:

Dear Senators,

I strongly oppose the mid-cycle redistricting. This move by Governor Abbott and the US Department of Justice to increase Republican representation in the U.S. House of Representatives at the expense of communities of color is blatant racial discrimination.

Our state is in crisis. It is poor leadership to focus on new Congressional representatives while Texas is still recovering from floods.

Everyone can see this clearly. Redistricting came straight from Donald Trump, and now it's the number one agenda item – ahead of flood relief. Who runs this state??? Donald J Trump? How easily you folded under pressure from the bully. The Texas Legislature is shoving redistricting down Texans' throats – ALL Texans, Republicans, Democrats, Libertarians, and Independents alike.

VOTERS WILL NOT FORGET THIS FAILURE OF LEADERSHIP. ABANDON THIS REDISTRICTING IDEA!!!!
