Message:

I am a resident of Congressional district 7.  
Changing the voting maps is wrong. Where are the proposed maps anyway?  
Obviously this is meant to take away the votes and representation of minorities.  
Play by the rules. What happened to integrity, ethics, morality? This is supposed to be America where everyone's vote counts and where all are represented. This does not serve the people of Texas and will be a stain written in Texas history. Can those of you that plan to vote yes live with this on your conscience and be proud of such a decision? If yes, it is a very sorry state of affairs.
