Message:

I am writing to let you know that I say NO to Trump's demand that five new Republican congressmembers replace five Democrats from Texas. I am opposed to this politically motivated maneuver being demanded from Washington DC to exert control over the business of the state of Texas.

Such mid-decade re-redistricting could give Trump an increased opportunity to control the House, to avoid the accountability from House Democrats controlling which bills are considered for committee hearings and floor votes and when to use the subpoena power to seek answers from the Administration.

It is a part of the current federal administration's partisan strategy to take away the rights of voters in our state of Texas in favor of one party and one president. It is not how democracy works in Texas. Stand up for Texans not for Washington DC.

Manipulation of elections is rampant and I AM OPPOSED TO REDISTRICTING at this time in Texas. It is outrageous to kowtow to Trump. We know ELECTION FRAUD when we see it.
