Subject: Please Draw Fair Maps for Texas

To the members of the Senate Committee on Redistricting,

My name is Mary Johnson, and I am a constituent from Cedar Park / Leander Texas and also a 5th generation Texan. I am asking you to draw fair congressional maps that keep our local communities whole.

I want my representatives to be accountable to the people in the areas where I live and work. When districts are manipulated to split our neighborhoods and towns, our voices are diluted. This makes it harder to address the specific issues that impact our daily lives, from local schools and infrastructure to economic development.

Please prioritize people over politics. Draw compact and sensible districts that respect our communities of interest. Texans deserve representation that is responsive to our needs, not beholden to a predetermined political outcome.

Thank you for your time and consideration.

Sincerely,
Mary Johnson
