Regarding: Congressional

Message:

As someone born and raised in Texas, I oppose the proposal to redraw our current congressional map. This is clearly a partisan power grab that defies the Voting Rights Act by diluting the voting power of our non-white citizens in all our communities. All Texas citizens have a right to fully participate in our democratic process, and this change would prevent communities of color from electing candidates of their choosing. I urge the Texas legislation to stand against the Trump administration and stand for a fair democratic process in Texas. Thank you for your time.
