Message:

The Texas Legislature is already extremely unbalanced with a commanding majority of white men. This latest of many previous gerrymandering efforts will further shut out Texas voters of color.. This is NOT what democracy is about and it certainly is not what is intended in the Constitution, which guarantees voting rights to all citizens of age 18+, and PROHIBITS racial discrimination. This is another BLATANT, UNCONSTITUTIONAL POWER GRAB by Republicans! You all should be ASHAMED of yourselves! And why are you doing it? Consider who is demanding that you do this! That should make you even more ashamed and disgusted with yourselves!
Grow a backbone!
