Message:

Gerrymander is defined as “to manipulate the boundaries of (an electoral constituency) so as to favor one party or class.” It is not a difficult definition, and it is easy to see that is what is happening during this special session when it is occurring specifically to help Republicans gain more seats in the US House (per the desires of President Trump). America was founded on democracy, the keen and beautiful idea that everyone deserves to have their views represented and advocated for by elected officials. By “re-districting” (or rather gerrymandering, as it really is), Democratic citizens who have a right to be heard in our wonderful democracy will be silenced. Following through with this is unconstitutional, immoral, and a disservice to ALL citizens of Texas.
