Affirm public info: I agree

Regarding: Congressional

Message:

I strongly oppose the proposed redistricting maps. This is a blatant attempt to rig future elections by silencing the voices of Black, Latino, and other underrepresented communities. These maps are not fair, they are not neutral, and they do not reflect the real demographics of this state. Gerrymandering is cheating it strips people of their right to meaningful representation and damages the integrity of our democracy. Every voter deserves equal power at the ballot box, not lines drawn to benefit one party or protect incumbents.

You are abusing your position and using this process to maintain power at the expense of the people. That is not public service, it is corruption. We see what is happening and we will not stay silent. The world is watching. Your decisions have real consequences, and we will remember who upheld justice and who betrayed it. Do your job and draw fair maps or step aside for people who will.

May you have the day you deserve.
