Message:

I am writing this to express my outrage that the Texas Senate is trying to push through a gerrymandered mid-census redistricting, all in the name of serving up 5 Republican districts to Donald Trump. Since when does Texas grovel under the bootheels of Washington, DC? More specifically, when did Gov. Abbott become interested in pleasing Trump than protecting the interests of the people of Texas? I will not be voting for anyone that votes yes on redistricting.
