Message:

I wholeheartedly disagree with this discussion of redistricting and gerrymandering our state.  
Who does this legislature represent? Trump, or the people that make up this great state?

TX-9, TX-18 and TX-29. Eligible voters in these districts are predominantly Black and Hispanic, and they decisively voted for Democratic candidate Kamala Harris in 2024. Are these districts on your radar? Breaking up the districts that are majority minority is a disingenuous, racist, and dishonest way to give your overlord what he wants. What are you afraid of? Are you fearful that the Republican platform is fading from favor? DO you need to cheat in order to win elections?

WWJD?
