As a Texan, I am OPPOSED to the redistricting of Texas!! This is a way for Republicans to cheat the system and gain more power. I am 100% opposed to the redistricting of Texas. Keep Texas the way it is and make gerrymandering illegal!

I am 100% opposed to the redistricting of Texas. The current politicians are showing the once great state of Texas that they don't want to be reelected. Constantly doing the LEAST to help the constituents of this state. You were voted in please remember you can be voted out. Texas is no longer free for all. Texas has become one of the states that doesn't believe in freedoms for its citizens. Texas, hasn't been free of tyrannical rule since you lot were voted in. We'll remember that during the primaries.
