Regarding: Congressional

Message:

Committes member

As a Houston resident, I am extremely concerned with the proposal of new congressional map. New maps may be expected and appropriate after census, however it should not be politically motivated. We vote for your representation to abide all laws and procedural matters. I expect you to act with courage and integrity to uphold these laws. Otherwise our entire system in our democracy is weakened.

I trust you will do the right thing for our state!

Sincerely,

[REDACTED]
