Message:

I am opposed to drawing new redistricting maps. The last map chopped up Tarrant County to silence the voices of Democrats who were represented by Beverly Powell. There is no valid reason to redraw the map at this time. It was bad enough that the Tarrant County Judge forced a redistricting map on the citizens of Tarrant County recently. The demand to redraw the maps is an attack against the Voting Rights Act. It is a way to cheat Texans out of fair representation. Just another way to rig elections to favor the MAGA Republican Party
