Message:

Please consider the poor, elderly, children, and the disabled people in Texas. I am a 64 year old disabled widow in Houston Texas. I lived in Missouri City, Texas for 25 years before I was forced to sell my home because of a tax lien placed on my home. Congressman Al Green always looked out for the people in District 9. He is a phenomenal congressman who truly cares about his constituents, not about much money they have. Congressman Green has always shown up for every event for our district and never waived. Thank you for your time today.

Regina Colemon
