Message:

District lines should represent the people who live there and allow us to be heard not silenced. It's a waste of time and a power grab.

The government is showing that they are not scared to abuse their own power to keep their ideals and beliefs in line WITHOUT the people's consent. Many people feel totally silenced by the same government that is supposed to uphold the freedom of speech, freedom of press, and freedom of equality.

On behalf of all citizens, please listen to our concerns, thank you.
