

Date: 2025-07-30
First Name: Richard
Last Name: Jernigan
Title: N/A
Organization: Self
Address: 
City: McKinney
State: Texas
Zipcode: 
Phone: 

Affirm public info: I agree

Regarding: Congressional

Message:

Gerrymandering is out of control and has become an unfortunate norm in our states. The “winner” chooses boundaries without regard to true representation of the people within a reasonable geographical area. It’s about winning and staying in power. It is imperative that this current attempt to redraw boundaries by the Texas legislature be stopped. And it is further imperative that we go to a system of independent redistricting commissions nationwide, especially for federal elections: congressional and presidential.
