Message:

I am very much opposed to this out of cycle attempt at congressional redistricting. It is a partisan attempt to dilute the vote of minority communities and also democratic and independent voters. A far right firm was hired to do the redistricting survey. This is the same firm that has indulged in conspiracy theories. I attended the commissions court when this matter was voted on. The vast majority of public testimony was against redistricting but the commissions voted 3-2 to go ahead with .redistricting. Please vote NO.

Thank you
