Message:

I extremely oppose the mid-decade power grab to redistrict Texas through partisan gerrymandering hidden under the guise of addressing racial districts. The US President has already publicly admitted this is to steal seats from Democrats so any one who says otherwise is openly lying to the people of Texas. Shame on the Texas GOP for openly making such an unfair power grab. The founding fathers they claim to idealize would be ashamed. Please oppose any efforts to redraw maps this special session. Focus on real issues like addressing the flood victims and preventing more climate change disasters. As a voter, I'm tired of all the political games being played instead of addressing real issues facing our communities.
