Message:

As a 45 yearlong resident of the state of Texas I am strongly opposed to the Texas legislature enacting a new wide ranging redistricting map. This effort has nothing to do with making our state more reflective of our population, but quite the opposite. It is an obvious power grab by one political party to seize power and has nothing to do with helping our citizens but will serve only to disenfranchise thousands and thousands of people deserving to be fairly represented.

As difficult as it may be for you in this time of political polarization, I urge you to put politics aside for one moment and do what is right for the people that you were elected to represent.

Thank you in advance for doing the right thing.
