Message:

I strongly object to this untimely effort to redistrict the voting districts here in Texas at the request of Trump. This action is a clear manipulation and it's out of the regular schedule for redistricting and it is clearly gerrymandering, finagling the districts for a particular political gain for one political party. I strongly object and urge the representatives to represent your district and your people, and to speak clearly that this is uncalled for and an illegal action. The rule of the people is being turned upside down in Trump's administration. He should not be telling Texas what to do and Governor Abbott should think of fairness to do all Texans and not just the Republican party. Do not be puppets & dupes of Donald Trump. Believe me, I am paying attention as a voter and will be holding you all accountable. Somebody has got to have the courage to stand up and do what's right and not act out of fear and self-serving interests.
